

Nursery Newsletter: October 2026

Our passion, their future

Dear Parents/Carers,

Upcoming Nursery Events

Wednesday 21st October: Saul Isaac will once again be in nursery to take pictures of the children, and any siblings. If your child does not attend on a Wednesday, or you want to bring older/younger siblings along you can book them in for a 10-minute time slot, please ask at the office for available times.

Friday 30th October: Halloween. We will be celebrating all things spooky and invite all staff and children who attend that day to dress up in their spookiest Halloween costumes.

Half Term Holiday

If your child attends on a 38-week term time package, they will not be in nursery the week of 26th October. If you would like any additional care this week, please request holiday care at £70 per day via the Famly app.

Famly

Please make sure that you have downloaded the Famly app. This will enable you to book extra sessions, send us messages, tell us if your child is absent for a holiday or sickness, see and pay your invoices, acknowledge accidents and medication doses, see what your child has eaten and how long they have slept for and so much more. If you are having trouble downloading or using the app, please do come to the office for help or drop us an email.

This month we have had some issues with Tax Free Childcare payments being sent to our account on time. Parents can link their Famly payment method to their tax free childcare account, just as you would link a debit card. Paying in this way enables Famly to register your payment to us straight away. Do ask if you need any help linking your account.

Price Increases

As per the message sent out on 30th September, the owners have reluctantly had to increase prices as of November to keep the nursery financially sustainable. The new fee structure booklet is again attached with this newsletter, and you will see these prices reflected in your November invoice which will be sent out on 15th October. Due to the increase of a full day to £85, we have also increased the value of a funded hour to £8.50 so you have no additional costs to pay for care during funded hours.

Refer a Friend Discount

We are offering a 10% reduction in fees (on top of any current discounts) to any family who refers a friend or relative to the setting. Once they have registered and completed 3

months with us, your 10% discount will be added to your next 3 months' invoices. Please make sure that they inform us that they have been referred by you when registering.

Staff Hellos and Goodbyes

We are saying goodbye to Naimah this month and we wish her well for the future. We are also saying 'welcome back' to Ghazala who used to work with us a few years ago through a supply agency and is now returning as Bank Staff to cover staff absences and holidays.

Toileting Workshops

The Family Hubs are holding several workshops to support parents with toilet training children from 12 months to 4 years old. Please see the attached poster for details.

Kind regards,

Carol and Seren
