

Nursery Newsletter: February 2026

Our passion, their future

Dear Parents/Carers,

Upcoming Nursery Events

Week of 2nd February: National Storytelling Week. As part of the National Literacy Trust's 'Year of Reading' we are celebrating storytelling week. Each room will focus on stories appropriate to their age groups, as well as our Core Books.

Friday 13th February: Valentine's Day: We will be taking part in Valentine themed crafts today.

Tuesday 17th February: Pancake Day: We will be making and eating pancakes and choosing from a range of toppings.

Thursday 5th March: World Book Day. We will be dressing up as book characters on this date, so this is advance warning to help you prepare! All children will receive a book token to receive one of this year's special books for free, or £1 off another book of their choice.

Week of 9th March: Dad's Week: Slots will be available to book from 23rd February for dads, or other male relations, to come in to complete a craft activity with their child.

Change of Date: Saul Isaac photographers have had to change the date for our next session. They will now be here on Wednesday 3rd June.

Half Term Holiday

Children who attend on a 38-week, term time only package are not in nursery the week of 16th February.

Parents' Evenings

Thank you to all those parents who attended our recent parents' evenings. We will return your completed forms to you now we have made a copy with your comments on to place on file. If you weren't able to make it, you will also receive a copy of the form. If you want to add your comments and return it to us for copying, please do. If you don't receive your form, please ask one of the staff in your child's room.

If you were not offered an appointment on this occasion, you will be offered one on either Thursday 25th or Tuesday 30th June between 6 and 7pm.

Food Hygiene Rating

We have once again been rated 5 stars for food hygiene by the local authority environmental department at their recent visit in January. Thank you to Glenda for all her great work in the kitchen!

Mobile Phones

The EYFS legislation does not allow mobile phones or other similar technology which connects to the internet (e.g. smart watches) to be used within the nursery due to safeguarding requirements. Please make sure that your phones are put away when you are in the building.

Additionally, the staff will not take any children into nursery from an adult who is using their phone as we need to ensure that all handover information is received. This also applies at the end of the day when you collect. Please do not ring the doorbell until you have finished your call.

Emails

If you have any urgent queries, please can you contact us by telephone or ask in person. Although we do aim to look at and respond to emails as soon as possible, our policy is to respond to emails within 2 working days so you may not receive a response for urgent matters as quickly as you would like via email.

National Dentists Day

In March we will be celebrating Dentists Day with lots of activities based around oral health. If any parent is a dentist/dental technician (or has one in their wider family) please can you let us know if you/they would be able to come into the nursery on or around 6th March to speak with the children about the importance of brushing their teeth.

Any questions please do ask.

Kind regards,

Carol, Jodie and Seren
